CAMPERS

Live the Dream...

➔ DESIGN ADVENTURE

If you are looking for a lighter weight Forward Fold Camper for your SUV, then the Adventure is the perfect match for your intended application. This quality Camper is designed to suit your vehicle's ball and tare weight limitations.

With "Super Glide" Independent Coil Suspension, you are assured of a comfortable ride wherever you travel on your next camping destination. This Camper is fully featured and with a Tare Weight of only 1240kgs, combined with a very light ball weight, your next camping holiday can be assured of being stress free.
