CAMPERS

Live the Dream...

➔ **DESIGN OFF-ROAD TRAX**

EMU specialises in matching your tow vehicle with the most appropriate Camper to suit your intended use. To enable us to achieve this result we engineer a broad range of Emu Campers from Road orientated to extreme Off Road.

Our Off-Road TRAX model will suit a large number of tow vehicles due to its tare weight, load rating & robust independent suspension suiting a huge number of our clients requirements.
